

Sponsor a Swimmer

Beginning in October 2011, in its new Community Aquatic & Recreation Complex that includes the first publicly accessible swimming pools in Garrett County, MD, Garrett College will provide basic swimming and water safety instruction for all kindergarten children attending the County's eleven elementary schools.

School buses will bring the children to the College campus as part of their daily schedule for a four-day active learning program during the regular school week. This program will also be offered for kindergartners who are being home-schooled.

Swimming proficiency and water safety goals appropriate for this age group will be established and every child participating in the program will receive an "I Can Swim!" certificate and a one-year discount on a family membership to the Community Aquatic & Recreation Complex.

The estimated cost per child is \$100. Your sponsorship will help to ensure that all kindergarten children in Garrett County are able to take part in this fundamental program!

Yes! I want to Sponsor a Swimmer!
