 GC Program Code 375

**Total Credit Hours Required.....64.00**

**Developmental Courses:** Courses in English, Reading, Language Arts, or Mathematics below the 100 level DO NOT COUNT toward this degree. Such courses, however, may be pre-requisites for college level courses within the degree program.

Developmental Courses:	Grade	Semester	Developmental Courses:	Grade	Semester
_____	___	___	_____	___	___
_____	___	___	_____	___	___
_____	___	___	_____	___	___

**Outcomes Assessment Testing:** In compliance with the Middle States Accreditation requirement that all institutions of higher education assess student learning in general education courses prior to degree completion, GC administers an Outcomes Assessment test in April and May for its prospective graduates (degree awards only). Although a student's performance on the Outcomes Assessment test will not alter his or her graduation status, it is an institutional requirement.
