Reminders about the Program: Must be enrolled full-time (at least 12 credits). Students must maintain at least a **2.50** semester GPA (each semester). Funds only pay for tuition and combined fees – it will not cover course fees or textbooks. The program will fund 64 college level course hours (excluding remedial coursework), and will not cover repeated courses. **Federal and State grant funding must be fully exhausted before the scholarship program will be applied**. For additional information, contact the Garrett College Financial Aid Office at 301.387.3080 or visit www.garrettcollege.edu. According to regulation a student must exhaust federal and state grant aid prior to the Scholarship program being applied.
