Admission Requirements: Admission to Garrett College does not guarantee admission to the Paramedic training program. Applicants must:

- Be at least eighteen (18) years of age.
- Be a high school graduate (GED certificate accepted).
- Be currently certified as an EMT and have completed one year of service as a certified provider prior to the first class. Prior experience will be evaluated on a case by case basis.*
- Be a member in good standing with a company providing advanced life support service or have applied for membership before the first class.*
- Be currently CPR certified.
- Take an entrance exam to be administered by the training program provider. Math and reading skills along with EMT knowledge will be assessed to determine if students are prepared to complete the course of study.
- Be in good health and submit proof of physical exam. Accepted applicants must also submit proof of all required vaccinations/immunizations prior to starting class.
- Provide two letters of reference—one from candidate's sponsoring EMS department and one personal.
- Attend an interview with the Program Medical Director, Program Director, and the Program Coordinator. This committee will have the final approval for admission to the course. Final approval will be based collectively on results of testing, satisfying requirements and the decision of this committee's evaluation of the candidate.

*Candidates who are not Maryland EMTs and/or not Maryland affiliated should contact the EMS Training Program Coordinator to determine entrance requirements.
