TRANSFER NOTES: Admission to this program is very competitive--Completion of these classes does not guarantee acceptance into the ACM program.

A meeting with the PTA Program Director or Clinical Coordinator is required within six (6) months prior to the May 1st deadline to be sure file is complete.

Completion of 40 documented volunteer hours with a licensed Physical Therapist/Physical Therapy Assistant at two different facilities must be completed by the ACM application deadline. Twenty (20) of the hours must be in a hospital or long term care setting and the remaining twenty (20) hours must be in an outpatient setting. The supervising physical therapist must directly send the observation forms to ACM's PTA Department by May 1st.

ACM requires a Criminal Record check prior to entry into the Clinical phase of the program.
