TRANSFER NOTES

Admission to ACM's Nursing program is very competitive; completion of these classes does not guarantee acceptance into the ACM program.

A minimum grade of "C" is required in all science coursework; however, note that admission is competitive with grade point average being important.

ACM requires a Criminal Record check prior to entry into the Clinical phase of the program.

CPR Certification for Health Care Professionals is also required at application (offered regularly at ACM).

Contact Allegany College of Maryland's Advising Center for more information on this program.
