
GEN. STUDIES/ACM MEDICAL LABORATORY TECHNOLOGY -- NON-DEGREE TRANSFER TO ACM

GC CURRICULUM CODE: 4626

This is a preparatory program designed to provide general education coursework for students planning to transfer to the Allegany College of Maryland's Medical Laboratory Technology program. A degree is not issued from Garrett College; students must apply to ACM for acceptance into their program. Completion of a non-degree transfer program does not guarantee acceptance into ACM's program. Contact Allegany College of Maryland's Advising Center for more information on this program.

TRANSFER NOTES

The Medical Laboratory Technology Program at ACM is a competitive admission program; completion of these classes does not guarantee acceptance into the ACM program.

ACM requires a Criminal Record check prior to entry into the Clinical phase of the program.

CPR Certification for Health Care Professionals is also required at application (offered regularly at ACM).

Contact Allegany College of Maryland's Advising Center for more information on this program.
