

Important Student Login Information for Fall 2010

You now have one Garrett College login for Campus Computers, E-mail, Blackboard and SAS!

You must enroll in the Self Service Password Management System!

To activate your Garrett College technology password or to retrieve a forgotten password, you must enroll in the Self Service Password Management Service. It's quick and easy!

Go to <https://sspm.garrettcollege.edu>

Click "Enroll into SSPM"

New students

You have received your logon information in the mail. If you need your login information, visit TC-310. You must present a photo ID.

Returning students

Your login for all systems will be the login you used for the campus computers. If you need your login information, visit TC-310. You must present a photo ID.
