Business

Prepare yourself for a career in the business world with a degree from Garrett College. Garrett's business programs prepare students for a variety of careers, such as: accounting, management, marketing, advertising, economics, public relations, banking and investing, and sales.

Garrett College offers a number of well-defined degree programs designed to prepare students for success in the rapidly-changing world of business and information technology. Our program courses incorporate the latest skills and technologies, giving students a competitive advantage and edge to enter the workforce.

In addition to building a quality business curriculum, our programs focus on preparing graduates to work independently, assume responsibility, succeed as a team member, and develop critical thinking skills.

Associate of Arts (A.A.) in Business Administration

A degree in Business Administration prepares graduates to enter a highly competitive field with the necessary knowledge and skills required to build a strong career in a broad range of fields. This option is designed for students intending to transfer to a four-year institution.

A.A. in Business Administration (FSU Transfer)

This pathway is designed for students who are interested in transferring to nearby Frostburg State University to obtain a bachelor's degree.

Associate of Applied Science (A.A.S) in Business & Information Technology

Internship opportunities are provided to students in the following concentrations:

- **Business Management and Entrepreneurship**
- **Graphic/Web Design**
