CERTIFIED CLINICAL MEDICAL ASSISTANT (CCMA)

Students will be prepared to work in a variety of medical facilities including doctor's offices, urgent care facilities, and hospitals. The classes listed below teach the skills needed to perform both front and back office services. The curriculum is designed to prepare students to take the National Healthcareer Association (NHA) Certification exams for CCMA, Certified Medical Administration Assistant, and Phlebotomy.

COURSES and PROGRAM COSTS

- HM-458 **Introduction to Health Care & Health Care Systems**
- HM-459 **Medical Terminology for Health Careers**
- HM-416 **Basic Math for Health Care**
- HM-418 **Certified Medical Administrative Assistant**
- HM-465 **Administrative Externship**
- HM-355 **Phlebotomy Venipuncture Theory**
- HM-372 **Phlebotomy Externship**
- HM-460 **Basic Anatomy and Physiology for Health Careers**
- HM-461 **Pharmacology**
- HM-422 **Medicine Administration**
- HM-420 **Basic Patient Intake**
- HM-462 **Introduction to Laboratory Techniques**
- HM-436 **Basic EKG**
- HM-438 **Clinical Externship**

\$1,215 (MDSR) | \$4,540 (GC) | \$4,765 (OOC) | \$4,995 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:

National Healthcareer Association (NHA)

LOCATION of TRAINING: Career Technology and Training Center (CTTC), Accident

EXTERNSHIP: Conducted at various medical facilities.

TIME to COMPLETE PROGRAM: Approximately 12 months.

Classes are held 3 evenings per week. Externship (120 hours) must be completed within 8-10 weeks after completion of course work. A detailed training schedule and course description of each class will be provided during an Orientation and Information Session.

CCMA students in the news!

While classes were paused, several Certified Clinical Medical Assistant (CCMA) students continued to work on the front lines in the allied health field.

Dawn Lohr (above), of Swanton, has worked at Garrett Regional Medical Center in Oakland for over two years. Frostburg resident, Shana Briskey (below), started her job working in the office during the pandemic.

"In light of recent events, we can rest assured that our fight to stay strong and focused during adversity is imperative. As we have studied, the skins' purpose is protection of the human body, as is our profession to the human race. We are needed, we are essential." -Program Instructor, Brigitte Friend

ENTRY REQUIREMENTS:

- Eligibility to participate in the program may be dependent upon a criminal background check.
- Certification that vaccinations for MMR, TB, PPD, Hepatitis B, and flu are current if required by the externship location. The cost of the vaccinations is the responsibility of the student.
- Sites for externship/clinical hours may require random drug testing.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.
- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

- Students will be prepared for an entry level position as a Certified Clinical Medical Assistant, Phlebotomist/Venipuncture Technician, and Certified Medical Administration Assistant.
- Students must pass the National Healthcareer Association (NHA) Certification Exam.

Call **301-387-3772** or email **doug.beitzel@garrettcollege.edu** for more information or to get started!

To determine scholarship or funding opportunities, please indicate your interest when submitting your application form.

New classes beginning September of 2021!
Check out our website for more class details.

Don't wait, register early for best scholarship opportunities!

CERTIFIED MEDICAL ADMINISTRATIVE ASSISTANT (CMAA)

Learn the skills needed to serve patients by being the first person to greet them when they arrive in a medical facility, scheduling their appointments, and assisting with the maintenance of records and patient accounts. This curriculum includes all topics required for students to prepare for the National Healthcareer Association (NHA) exam.

COURSES and PROGRAM COSTS

HM-458 **Introduction to Health Care & Health Care Systems**
 HM-459 **Medical Terminology for Health Careers**
 HM-416 **Basic Math for Health Care**
 HM-418 **Certified Medical Administrative Assistant**
 HM-465 **Administrative Externship**

\$405 (MDSR) | \$1,845 (GC) | \$1,935 (OOC) | \$2,030 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:
 National Healthcareer Association (NHA)

LOCATION of TRAINING: Career Technology and Training Center (CTTC), Accident

EXTERNSHIP: Conducted at various medical facilities.

TIME to COMPLETE PROGRAM: Approximately 4-6 months. Classes are held 2-3 evenings per week. Externship (40 hours) must be completed within 6 weeks after completion of course work. A detailed training schedule and course description of each class will be provided during an Orientation and Information Session.

Garrett College just completed another Certified Medical Administrative Assistant (CMAA) program. The program includes four separate courses totaling 147 hours in the classroom. Following the classroom portion, students are required to complete an externship of 40 hours, working alongside medical assistants in a clinical setting. After completion of the externship, the student is eligible to earn national certification through the National Healthcareer Association by sitting for the Certified Medical Administrative Assistant (CMAA) exam.

ENTRY REQUIREMENTS:

- Eligibility to participate in the program may be dependent upon a criminal background check.
- Certification that vaccinations for MMR, TB, PPD, Hepatitis B, and flu are current if required by the externship location. The cost of the vaccinations is the responsibility of the student.
- Sites for externship/clinical hours may require random drug testing.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.
- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

- Students will be prepared for an entry level position as a Certified Medical Administrative Assistant.
- Students must pass the National Healthcareer Association (NHA) Certification Exam.

OCCUPATIONAL OUTLOOK:

Certified Medical Administrative Assistants play a critical role in keeping the healthcare office running efficiently and effectively. This is a highly-rewarding profession and medical assistants are often the first to greet and help patients, and can help set the stage for a positive experience.

Call **301-387-3772** or email **doug.beitzel@garrettcollege.edu** for more information or to get started!

To determine scholarship or funding opportunities, please indicate your interest when submitting your application form.

New classes beginning September of 2021!

CERTIFIED PHLEBOTOMY TECHNICIAN (CPT)

Students will learn the methods for drawing blood for laboratory testing. A Phlebotomist is employed in various medical facilities including hospitals, doctor's offices, and medical laboratories. Instruction for this program will be provided by licensed health care professionals.

COURSES and PROGRAM COSTS

HM-458 **Introduction to Health Care & Health Care Systems**

HM-355 **Phlebotomy - Venipuncture Theory**

HM-372 **Phlebotomy Externship**

\$405 (MDSR) | \$1,450 (GC) | \$1,525 (OOC) | \$1,595 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:

National Healthcareer Association (NHA)

LOCATION of TRAINING: Career Technology and Training Center (CTTC), Accident

EXTERNSHIP: Conducted at Garrett Memorial Hospital and various other medical sites.

TIME to COMPLETE PROGRAM: Approximately 6 months.

Classes are held 2-3 evenings per week. Externship (40 hours) must be completed within 8 weeks of the completion of course work. A detailed training schedule and course description for each class will be provided during an Orientation and Information Session.

ENTRY REQUIREMENTS:

- Proof of health insurance coverage is required at time of registration.
- Eligibility to participate in the program may be dependent upon a criminal background check.
- Certification that vaccinations for MMR, TB, PPD, Hepatitis B, and flu are current. The cost of the vaccinations is the responsibility of the student.
- Sites for externship/clinical hours may require random drug testing.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.
- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

- Students will be prepared for an entry level position as a phlebotomist/venipuncture technician.
- Students must pass the National Healthcare Association (NHA) Certification Exam.

VETERINARY ASSISTANT

Veterinary Assistants aide in kennel care, assist veterinary technicians and veterinarians during exams of domestic animals and provide support throughout the veterinary office. They are employed in animal shelters, animal emergency centers, and veterinary practices. Instruction for the program is provided by a licensed Veterinary Technician and/or licensed Veterinarian.

COURSES and PROGRAM COSTS

VT-14 **Veterinary Assistant One - Orientation to the Veterinary Profession**

VT-15 **Veterinary Assistant Two - Outpatient Diagnosis & Treatment**

VT-16 **Veterinary Assistant Three - Inpatient Treatment & Care**

\$470 (MDSR) | \$1,400 (GC) | \$1,470 (OOC) | \$1,540 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:

This training program meets the National Association of Veterinary Technicians of America (NAVTA) guidelines and requirements for clinical experiences, certifications/licensing of instructors, and curriculum content.

LOCATION of TRAINING: Career Technology and Training Center (CTTC), Accident

EXTERNSHIP: Various veterinarian facilities.

TIME to COMPLETE PROGRAM: Approximately 6 months.

Classes are held two evenings per week. Clinical experience is scheduled throughout the program at various animal care facilities.

ENTRY REQUIREMENTS:

- Garrett College does not require a background check or drug testing; however, individual animal care facilities may require students to submit to one or both.
- Health insurance is not required; however, Garrett College does not assume any responsibility for health issues caused by animal bites, scratches, or other injuries. It is suggested that students meet with their health care professional to ensure their immunizations (including a tetanus shot) are up to date.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.
- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

Students will be prepared to work in an entry level position in an animal care facility and/or be prepared to continue training to earn an AA degree as a Veterinary Technician.

Call **301-387-3136** or email donna.bittinger@garrettcollege.edu for more information or to get started!

Full Certification will be issued after one year of employment in the industry. Garrett College will also provide a certification of participation and/or achievement.

"The maintenance program offered by Garrett College has been a great benefit for our company. Members of our team have gained actionable skills that allow them to better serve the needs of our guests and our homeowners. We are fortunate to have a program like this available in our community." - Mr. Joe Refosco, Owner: Taylor-Made Vacation Rentals

"As a manager and maintenance tech, it is invaluable to have access locally to such an informative program. It covers a wide range of topics, and the resource materials they provide can be used long after you finish the course. Upon completion, our team members have a broad base of knowledge that they can immediately apply to resolve issues in our homes." - Gary Paugh, Taylor-Made Vacation Rentals

CONSTRUCTION TRADES

Interested in changing careers? Want to expand your skillset, work outdoors, build and use your hands? Consider a career that is fun and offers financial freedom with our upcoming construction trade course. Commercial and industrial carpenters construct, erect, install and repair structures and fixtures. Careers in construction involve many different kinds of development from buildings to highways, and bridges to power plants. This curriculum will ground you in the basic knowledge and principles of carpentry. After completing the course, you should be able to interpret blueprints, frame walls, ceilings and floors of structures, be familiar with all building materials, fasteners and adhesives. You'll also learn the proper use of all hand and power tools and how to properly install electrical wiring and plumbing systems. Let this be your first step towards a future in a career you'll love.

COURSES and PROGRAM COSTS

TI-199 **Introduction to Construction**

TI-200 **Construction Trades**

HEATING, VENTILATION, and AIR CONDITIONING (HVAC)

Heating, ventilation, and air conditioning (HVAC) is the technology of indoor and vehicular environmental comfort. Its goal is to provide thermal comfort and acceptable indoor air quality. HVAC system design is a subdiscipline of mechanical engineering, based on the principles of thermodynamics, fluid mechanics and heat transfer. HVAC is an important part of residential structures such as single-family homes, apartment buildings, hotels and senior living facilities, medium to large industrial and office buildings and hospitals, vehicles such as cars, trains, airplanes, ships and submarines where safe and healthy building conditions are regulated with respect to temperature and humidity, using fresh air from outdoors.

COURSES and PROGRAM COSTS

MT-60 **OSHA 10 Hour Construction**
 TI-196 **Introduction to HVAC**

HUMAN SERVICES ASSOCIATE (HSA)

A Human Services Associate provides services to clients who are experiencing some degree of hardship. Empowering a client to make important lifestyle changes that will allow them to change their challenging situation into a more stable and healthier environment for themselves and their loved ones is a daily goal. Most Human Services Associates work helping the client to adjust to difficult situations in life and find improvement through self-sufficiency.

COURSES and PROGRAM COSTS

PF-119 **Empowerment Skills for Family Workers - Family Development Credential**

PF-121 **Bridges Out of Poverty**

PF-120 **Dynamics in Workplace Readiness**

PF-122 **Business Ethics and Communication**

\$760 (MDSR) | \$2,400 (GC) | \$2,520 (OOC) | \$2,640 (OOS)

Traits like compassion and empathy are extremely helpful if one wishes to maximize their potential in Human Services. Some of the skills and traits that are important for Human Services professionals include, but are not limited to:

- Excellent active listening skills
- Ability to put people at ease and give them a sense of safety
 - Cultural competency • Empathy • Compassion
 - A desire to help others • Attention to detail
- Strong interpersonal skills • Being knowledgeable in your field
 - Ability to quickly establish rapport

In addition, being able to understand and follow complex procedures and rules that are common within Human Services organizations, and being able to set personal boundaries are critical.

This program is comprised of modules, which were identified in collaboration with an advisory group made up of local human service agency leadership to include:

- Work Readiness • Family Development
- Disadvantaged Populations • Effective Communication

Each module culminates in a credential and/or certification. While most students will enroll the program with a goal of employment, those already working in the field may benefit from individual courses as professional development.

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:
Family Development Credential, University of Connecticut

LOCATION of TRAINING: Career Technology and Training Center (CTTC), Accident

TIME to COMPLETE PROGRAM: 3 Months

ENTRY REQUIREMENTS:

- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

Students will be better prepared to enter employment in the Human Services field such as Social Worker, Case Manager, Direct Client Manager.

MACHINING

Machinists are employed in a variety of industries including energy, transportation, advanced manufacturing and the production of specialty products. This training program is designed to prepare students for a career in manual and CNC machining using classroom instruction, computer based training and extensive hands-on experience.

MANUAL MACHINING COURSES and PROGRAM COSTS

TI-192 **Preparation for Machining**
 TI-115 **Machining - Job Planning, Bench Work, and Layout**
 TI-193 **Manual Milling**
 TI-194 **Manual Turning**

\$1,795 (MDSR) | \$3,000 (GC) | \$3,150 (OOC) | \$3,300 (OOS)

CNC MACHINING COURSES and PROGRAM COSTS

TI-166 **CNC Turning - Programming and Setup**
 TI-167 **CNC Turning Operations**
 TI-164 **CNC Milling Programming and Setup**
 TI-165 **CNC Milling Operations**

\$1,795 (MDSR) | \$2,995 (GC) | \$3,145 (OOC) | \$3,295 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:
 National Institute of Metalworking Skills (NIMS)

LOCATION of TRAINING:

Manual Machining Classes: Southern High School, Oakland

CNC Machining Classes: Career Technology and Training Center (CTTC), Accident

TIME to COMPLETE PROGRAM: Approximately 15-18 months.
 Classes are held 2 evening per week. Students may be able to accelerate completion by demonstrating competency through testing.

ENTRY REQUIREMENTS:

- Preparation for Machining is a required prerequisite for all Machining classes unless the student is able to demonstrate prior learning through NIMS testing.
- Manual Machining experience or prior training is required to enroll in any CNC courses.
- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

- Students will be able to demonstrate core competencies as outlined by NIMS.
- Students will also have the opportunity to earn NIMS Credentials in each class.

Call **301-387-3087** or email **kurt.lear@garrettcollege.edu** for more information or to get started!

To determine scholarship or funding opportunities, please indicate your interest when submitting your application form.

New classes beginning October of 2021!
Check out our website for more class details.

WELDING

Welders are employed in almost every trade and work in a variety of locations including below ground, under water, on high rise buildings, and bridges. Over 80 certifications are available based on the location of work and metal product being used in the process. Students interested in an advanced level Welding III option should contact the Program Coordinator at the email listed below for more details.

COURSES and PROGRAM COSTS

TI-96 **Preparation for Welding**
 TI-162 **Welding One**
 TI-163 **Welding Two**

\$2,550 (MDSR) | \$3,800 (GC) | \$3,990 (OOC) | \$4,180 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:

American Welding Society (AWS)

LOCATION of TRAINING: Career Technology and Training Center (CTTC), Accident

TIME to COMPLETE PROGRAM: 10 months.

Classes are held 1-2 evenings per week. AWS Testing conducted on a Saturday. Students must complete AWS On-Line assignments independently and on their own time. This is not included in the Class Room Instruction Hours.

ENTRY REQUIREMENTS:

- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

- At the conclusion of the Preparation for Welding class, students will be able to demonstrate standard safety procedures & earn an OSHA certification, apply basic math to prepare materials, read a welding print to prepare and complete a welding project, and identify the skills required to obtain and retain employment.
- At the conclusion of Welding Two, students will be prepared to take the horizontal and vertical AWS Welding Test.

Call **301-387-3087** or email kurt.lear@garrettcollege.edu for more information or to get started!

To determine scholarship or funding opportunities, please indicate your interest when submitting your application form.

New classes beginning September of 2021!

Check out our website for more class details.

COMMERCIAL DRIVER'S LICENSE (CDL), CLASS A

This skills-oriented program offers a professional truck driving curriculum for the purpose of qualifying students for entry level positions as drivers in over-the-road or local driving vehicles. Topics covered include the following: pre-trip inspection, various skills in the yard, and over-the-road instruction along with a basic overview of map reading and log books. At the completion of the training, the student will be taken to demonstrate at their local Department of Motor Vehicles to obtain a Class A license.

COURSES and PROGRAM COSTS

CV-35 **CDL, I**
CV-36 **CDL, II**
CV-37 **CDL, III**

\$3,555 (MDSR) | \$4,500 (GC) | \$4,725 (OOC) | \$4,950 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:

Department of Transportation

LOCATION of TRAINING: Mountaintop Truck Driving Institute (MTDI), Grantsville

OCCUPATIONAL OUTLOOK:

The need for CDL Class A drivers continues to grow and Mountaintop Truck Driving Institute has been helping to fill some of our needs with dedicated, local, regional and over-the-road positions throughout the tri-state area. The students completing the Class A program at the Mountaintop Truck Driving Institute are top quality and are well trained. ~Schneider National

The most recent estimate from American Trucking Associations puts the driver shortage at 50,000 nationwide. If current trends hold the shortage could grow to more than 174,000 by 2026. ~ Maryland Motor Truck Association

The national truck driving shortage continues to grow, and the challenge to hire and attract new drivers becomes greater every day. Given the driver demands, truck driving training programs, like those offered by Garrett College, help fill some of that void. Through their school at Mountain Top Truck Driving Institute, they do a great job recruiting and training drivers new to the industry. The western Maryland area is a big draw for Dot Transportation, providing approximately 35% of our current workforce. We find students coming from Mountaintop are well-prepared with a good understanding of Department of Transportation regulations and safety expectations. ~DOT Foods

TIME to COMPLETE PROGRAM: Training will encompass 210 hours (30 days) of training and is offered in a weekday or a weekend setting.

- The weekday option is offered in a 7.5 week timeframe, Monday through Thursday, 8:00 a.m. to 4:00 p.m.
- The weekend option has a duration of 15 weeks, and is held Saturday and Sunday, 8:00 a.m. to 4:00 p.m.

ENTRY REQUIREMENTS:

- Must currently possess a valid (nonprovisional) license and be 18 years of age.
- Must be able to pass a Department of Transportation (DOT) physical which cannot expire during the training period.
- Drug screen which must be less than sixty (60) days old and cannot expire during the training period.
- Must communicate in the English language sufficiently, as required by the U.S. Department of Transportation.
- Must obtain a Class A, CDL Learner's Permit.
- A \$25.00 non-refundable registration fee is required from all students.
- Students are required to have a High School Diploma or equivalent.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course.

UPON SUCCESSFUL COMPLETION:

- Students will be able to test at the local Department of Motor Vehicle site using a Garrett College truck (up to two attempts).
- Students will have completed training requirements set forth in the Federal Motor Carrier Safety Regulations in accordance with 49 CFR380.503. and receive associated certificate.

Call **301-387-4700** or email ronald.roach@garrettcollege.edu for more information or to get started!

COMMERCIAL DRIVER'S LICENSE (CDL), CLASS B

With a Class B CDL, students can drive cement, gravel, delivery, refuse or similar vehicles allowing them to make a good salary, but also stay close to home.

This course will cover the essentials needed to obtain a Class B license including the following: pre-trip inspection, various skills in the yard, and over-the-road instruction along with a basic overview of map reading and log books. At the completion of training, the student will demonstrate at their local Department of Motor Vehicles to obtain a Class B license. To expand, the Class B license allows an individual to operate any single vehicle with a gross vehicle weight rating (GVWR) of 26,001 or more pounds; with any such vehicle towing a vehicle not in excess of 10,000 pounds GVWR.

COURSES and PROGRAM COSTS

CV-42 **Class B CDL**

\$1,550 (MDSR) | \$2,300 (GC) | \$2,415 (OOC) | \$2,530 (OOS)

Garrett College's MTDI program has successfully trained over **700** students to receive their CDL license.

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY:

Department of Transportation

LOCATION of TRAINING: Mountaintop Truck Driving Institute (MTDI), Grantsville

TIME to COMPLETE PROGRAM: 6 day duration - arranged.

DIESEL MECHANIC

If you enjoy fixing things and problem-solving, have a mechanical mindset, get excited by technology and enjoy working with your hands consider a career as a diesel mechanic. The current demand for diesel mechanics is high and is expected to increase in the coming years. Diesel engines power some of the biggest players in our economy and play a vital role in a wide variety of industries. In this program, you will be trained to complete a variety of maintenance and repair services including changing oil, checking fluid levels, rotating tires, suspension & steering, electrical systems, and engine rebuilds with an emphasis in preventative maintenance procedures and shop safety. Students will earn a Garrett College Continuing Education and Workforce Training Certificate and will have the opportunity to take the Automotive Service Excellence (ASE) entry-level student certification exam: Inspection, Maintenance & Minor Repair.

COURSES and PROGRAM COSTS

CV-056 **Diesel Mechanics One - Introduction to Diesel Mechanics**

CV-057 **Diesel Mechanics Two - Truck Components Service and Inspection**

CV-058 **Diesel Mechanics Three - Electrical Systems and Auxiliary Components**

CV-059 **Diesel Mechanics Four - Preventative Maintenance and ASE Review**

\$4,500 (MDSR) | \$5,515 (GC) | \$5,790 (OOC) | \$6,065 (OOS)

CERTIFYING PROFESSIONAL ASSOCIATION/AGENCY: ASE
Automotive Service Excellence

REGISTRATION & FEES

REGISTRATION INFORMATION

Registration for non-credit courses can be completed in person, by phone, by mail, by fax, or online. Persons interested in registering for a course may visit the office, located in room 114 of the Garrett Information Enterprise Center on the McHenry campus of Garrett College. They may also call the main line at (301) 387-3069, or fax a registration form to (301) 387-3096. To register online, visit www.garrettcollege.edu/cewd.

Continuing Education & Workforce Development registrations will be taken on a first-come, first-served basis. Your birthdate is required by the Maryland Higher Education Commission. Payment may be made by mail or in person at our office. We accept VISA, MasterCard, American Express and Discover - please call us at 301-387-3069.

Most courses have registration deadlines, which allows for ample time to notify students and instructors, should a course not meet its minimum enrollment. The department recognizes the inconvenience last-minute cancellations cause in the busy lives of our community members. Please register before the deadlines.

FINANCIAL INFORMATION

Course costs listed include tuition, fees, and out-of-county/out-of-state differentials (where applicable). Costs listed for Maryland Senior Citizens (persons 60 years of age or older) include a tuition waiver (where applicable) and fees. All students are responsible for any materials or texts that may be required for all classes.

REFUND POLICY

Completion of a registration form (in person, by phone, or by FAX) and tuition and/or fee payment serves as confirmation of registration and results in the student being obligated for the cost of the course. If, for any reason, a student cannot attend the course for which he/she is registered, it is his/her responsibility to withdraw from the course. In order to withdraw from a noncredit course the student must complete a 'withdrawal' form. Refunds will be made in full if you withdraw from a course by the course registration closing date. If you withdraw prior to the second class meeting, you are entitled to a 75% refund of total course cost. There will be no refund after the second class session. Any requests for exceptions to this policy must be made in writing and should be submitted to the Dean of Continuing Education & Workforce Development.

FINANCIAL AID

AVAILABLE

to Those Who Qualify!

Garrett College's Continuing Education & Workforce Development division awards over \$100,000 in scholarships annually as a result of funding from Garrett County Commissioners, local agencies, and private donors through the Garrett College Foundation. Full and partial scholarships are available based on the applicant's residency, educational goals and financial need. For best consideration, students are encouraged to apply early! Scholarship applications must be submitted at least three weeks prior to the start of selected program for consideration.

All workforce programs require a \$25 non-refundable application fee which cannot be paid with scholarship funds. The student is also responsible for any program fees, tests, or materials which are not covered by his/her scholarship.

Drop Policy

It is the student's responsibility to withdraw from a course that he/she cannot attend. Please note that failure to attend at least 75% of the course sessions, or failure to complete assigned coursework, may result in the termination of funding; as a result, the student will be charged for the entire cost of the course.

In addition to scholarships, the following agencies may support students, who meet their funding criteria, with tuition/fee assistance:

Western Maryland Consortium: 301-334-8136

Garrett County Department of Social Services, Garrett Works Program: 301-533-3000

Garrett County Community Action, SNAP Employment & Training Program: 301-334-9431

Maryland Department of Rehabilitative Services (DORS): 301-777-2119

For more information on scholarships, please call Donna Bittinger at 301-387-3136.

WE ARE
CONVENIENTLY
LOCATED WITH
OUTREACH CENTERS

301-895-4700
- 5 Southern Outreach Center (SOC)**
14 N 8th Street, Oakland, MD 21550
301-387-3770

INCLEMENT WEATHER POLICY

Continuing Education and Workforce Development follows the Garrett College Inclement Weather Policy.

WHEN ARE WEATHER-RELATED DECISIONS MADE?

Because weather and road conditions can change quickly, there is no fixed time by which a decision to delay or close is made. While we attempt to make decisions for all-day closings and delayed openings by 6:30 AM, you should always consider the possibility that the decision may come after that time. Decisions to close early are made based upon information about the conditions, which means that there is no set time that these decisions will be made either; however, the College attempts to have a decision made about closing early by 3:00 PM.

HOW DO I FIND OUT IF THERE IS A DELAY OR CLOSING FOR THE COLLEGE?

The College's weather-line is immediately updated with any information that relates to the altering of the normal schedule.

To reach the GC WEATHER LINE, dial 301-387-3198.

HOW DO I KNOW WHICH LOCATION IS CLOSED?

Announcements made that the College is closed due to weather conditions include all locations: McHenry campus, Northern Outreach Center (Grantsville), Career and Technical Training Center (Accident), and the Southern Outreach Center (Oakland). There may be times when a particular location is delayed or closed for reasons other than weather. The information that is disseminated at that time will specify which location(s) are affected.

Employees, students and the public should not call any college department to find out whether the college is closed or is going to close. We ask that you call the weather-line for closing or delayed opening information. Note: The College will not make an announcement if operating on a regular schedule. If no information has been posted, then the College will be operating as normal.

We are so proud of the first graduating class of students who completed our new Diesel Mechanic Program. They are now on the way to obtain their ASE (Automotive Service Excellence) certification and start their careers! As a departure gift, each student received a brand new set of tools for their kits.

The graduating class from left to right: Noah Slaubaugh, Garrett Haberkorn, Eliza Wilhelm, Tyler Rhodes, and the instructor, Allen Vansickle.
