CERTIFIED CLINICAL MEDICAL ASSISTANT (CCMA)

Students will be prepared to work in a variety of medical facilities including doctor's offices, urgent care facilities, and hospitals. The classes listed below teach the skills needed to perform both front and back office services. The curriculum is designed to prepare students to take the National Healthcareer Association (NHA) Certification exams for CCMA, Certified Medical Administrative Assistant, and Phlebotomy.

COURSES and PROGRAM COSTS

HM-529 Introduction to Health Care for Medical Assistants
 HM-418 Certified Medical Administrative Assistant
 HM-530 Administrative Externship
 HM-531 Medical Assistant Prep for Patient Care
 HM-532 Medical Assistant Patient Care
 HM-438 Clinical Externship
 HM-355 Phlebotomy Venipuncture Theory
 HM-372 Phlebotomy Externship

\$2,040 (MDSR) | \$5,260 (GC) | \$5,525 (OOC) | \$5,785 (OOS)

LOCATION of TRAINING:

- **Classroom:** Career Technology and Training Center (CTTC), Accident.
- **Externships:** Conducted at various medical facilities

TIME to COMPLETE PROGRAM:

Approximately 12 months. Classes are held once a week in person and twice on Zoom. Externship (100 hours) must be completed within 8-10 weeks after completion of course work.

ENTRY REQUIREMENTS:

- Eligibility to participate in the program may be dependent upon a criminal background check.
- Certification that vaccinations for MMR, TB, PPD, Hepatitis B, COVID-19 and flu are current if required by the externship location. The cost of the vaccinations is the responsibility of the student.
- Sites for externship/clinical hours require random drug testing.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.

**NEW CLASSES
START EACH FALL!**

Occupational Outlook

Employment of medical assistants is projected to grow 16 % from 2021 to 2031, much faster than the average for all occupations. About 123,000 openings for medical assistants are projected each year, on average, over the decade.

Next available program will begin **Sept. 18, 2025** and end on **Aug. 31, 2026*** | **REGISTRATION DEADLINE: AUG. 28, 2025**

**Course details could be subject to change, call or email for more information*

Don't wait, register early for best scholarship opportunities!

To determine scholarship or funding opportunities, please indicate interest when submitting your application form.

Contact Doug Beitzel for more information or to get started! 301-387-3772 | doug.beitzel@garrettcollege.edu

CERTIFIED PHLEBOTOMY TECHNICIAN (CPT)

Students will learn the methods for drawing blood for laboratory testing. A Phlebotomist is employed in various medical facilities including hospitals, doctor's offices, and medical laboratories. Instruction for this program will be provided by licensed health care professionals.

COURSES and PROGRAM COSTS

HM-458 **Introduction to Health Care**

& Health Care Systems

HM-355 **Phlebotomy-Venipuncture Theory**

HM-372 **Phlebotomy Externship**

\$425 (MDSR) | \$1,475 (GC) | \$1,550 (OOC) | \$1,625 (OOS)

LOCATION of TRAINING:

- **Classroom:** Career Technology and Training Center (CTTC), Accident.
- **Externships:** Conducted at WVU-Garrett Regional Medical Center.

TIME to COMPLETE PROGRAM:

Approximately 6 months. Classes are held 2-3 evenings per week. Externship (40 hours) must be completed within 8 weeks of the completion of course work.

ENTRY REQUIREMENTS:

- Proof of health insurance coverage is required at time of registration.
- Eligibility to participate in the program may be dependent upon a criminal background check.
- Certification that vaccinations for MMR, TB, PPD, Hepatitis B, COVID-19 and flu are current. The cost of the vaccinations is the responsibility of the student.
- Sites for externship/clinical hours require random drug testing.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.

Occupational Outlook

Employment of phlebotomists is projected to grow 10 % from 2021 to 2031, faster than the average for all occupations, with about 21,500 openings for phlebotomists projected each year over the decade.

NEW CLASSES START EACH SPRING!

Next available program will begin **Apr. 9, 2026** and end on **Aug. 31, 2026*** | **REGISTRATION DEADLINE: MAR. 26, 2026**

MEDICAL BILLING & CODING

The Medical Billing and Coding field is one of the fastest growing professions in the healthcare industry! Being in the medical billing and coding field adds much flexibility to employment opportunities. This program prepares students for an entry level position in a variety of healthcare facilities where industry trends and skills are vastly progressing. Through the combination of classroom theory and hands-on clinical experience, students will be prepared to sit for national certification through the American Academy of Professional Coder (AAPC) and enter the workforce.

COURSES and PROGRAM COSTS

- HM-513 **Medical Billing and Coding Part 1: Healthcare Documentation, Billing, Human Anatomy, and ICD-10 Coding**
 HM-514 **Medical Billing and Coding Part 2- CPT, HCPC Coding**
 HM-504 **Externship for Billing and Coding**

\$2,100 (MDSR) | \$3,200 (GC) | \$3,360 (OOC) | \$3,520 (OOS)

LOCATION of TRAINING:

Career Technology and Training Center (CTTC), Accident

TIME to COMPLETE PROGRAM:

Approximately 8 months.
 Externship hours are online and self-paced.

ENTRY REQUIREMENTS:

- Eligibility to participate in the program may be dependent upon a criminal background check.

Occupational Outlook

Employment of medical records specialists is projected to grow 7 % from 2021 to 2031.
 About 14,900 openings for medical records specialists are projected each year, on average, over the decade.

**NEW CLASSES
START EACH FALL!**

Next available program will begin **Sept. 8, 2025** and end on **May 28, 2026*** | **REGISTRATION DEADLINE: AUG. 18, 2025**

**Course details could be subject to change, call or email for more information*

Don't wait, register early for best scholarship opportunities!

PARAMEDIC

Paramedics are allied health professionals whose primary focus is to provide advanced emergency medical care for critical and emergent patients who access the emergency medical system (EMS). Acting as a link from the scene to the healthcare system, paramedics function as part of the comprehensive EMS response, under medical oversight. Garrett College's paramedic program is nationally accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP).

COURSES and PROGRAM COSTS

The Paramedic program consists of a variety of courses including classroom, field and clinical portions

\$2,685 (MDSR) | \$4,640 (GC) | \$4,660 (OOC) | \$5,290 (OOS)

LOCATION of TRAINING:

- **Classroom:** Career Technology and Training Center (CTTC), Accident. The Accelerated/Hybrid option includes both onsite classroom and online hours each week.
- **Clinical Experience:** Minimum of 453 hours. Clinical hours are scheduled by the student outside of class.

TIME to COMPLETE PROGRAM:

In Person Option:

Two-year training program. Classes are held two evenings per week from 6:30-10:30 pm in addition to field/clinical time.

Accelerated/Hybrid Option:

One-year training program. Classes are held on a hybrid model platform with sessions run asynchronously online in addition to in-person classroom time on Wednesdays from 8am – 5pm.

ACCELERATED/HYBRID PROGRAM BEGINS EVERY YEAR!

Applications for next program will be available after Mar. 1, 2025.

APPLICATIONS MUST BE COMPLETED AND RETURNED BY JUNE 27, 2025

Accepted applicants will begin the one-year program after completing paperwork, entrance testing and interviews.

UPCOMING CLASSES WILL BEGIN SEPTEMBER 2025

Contact Doug Beitzel for more information or to get started! **301-387-3772** | doug.beitzel@garrettcollege.edu

PARAMEDIC

Continuing Education & Workforce Development offers the initial paramedic training program in person every two years and on an accelerated/hybrid schedule yearly. Successfully admitted students have the opportunity of also selecting one of the three educational options at Garrett College: a credit Certificate (30 Credit Hours), and Associate of Applied Science, A.A.S. (60 Credit Hours) degree, or a non-credit certification program.

**ENTRY REQUIREMENTS:**

- Students are required to have a High School Diploma or equivalent.
- Students must be currently certified as an EMT.
- Students must complete entrance testing which evaluates math, reading and basic EMT knowledge to determine basic skill levels needed to succeed in the program.
- Students must attend a personal interview with Garrett College EMS program staff and Medical Director
- A \$25.00 non-refundable registration fee is required from all students.

UPON SUCCESSFUL COMPLETION:

Students will be prepared to take the national and state certification tests to obtain their National Registered Paramedic (NRP) and Maryland Paramedic certifications.

Occupational Outlook

Overall employment of EMTs and paramedics is projected to grow 7 % from 2021 to 2031.

NEW IN-PERSON CLASSES BEGIN EVERY TWO YEARS!

Applications for next program will be available after Mar. 1, 2026.

APPLICATIONS MUST BE COMPLETED AND RETURNED BY JUNE 26, 2026.

Accepted applicants will begin the two-year program after completing paperwork, entrance testing and interviews.

UPCOMING CLASSES WILL BEGIN SEPTEMBER 2026

Contact Doug Beitzel for more information or to get started! **301-387-3772** | doug.beitzel@garrettcollege.edu

VETERINARY ASSISTANT

Veterinary Assistants aide in kennel care, assist veterinary technicians and veterinarians during exams of domestic animals and provide support throughout the veterinary office. They are employed in animal shelters, animal emergency centers, and veterinary practices. This training program meets the National Association of Veterinary Technicians of America (NAVTA) guidelines and requirements for clinical experiences, certifications/licensing of instructors, and curriculum content. Upon successful completion, students will be prepared to work in an entry level position in an animal care facility and/or be prepared to continue training to earn an AA degree as a Veterinary Technician. Instruction for the program is provided by a licensed Veterinary Technician and/or licensed Veterinarian.

COURSES and PROGRAM COSTS

VT-14 **Veterinary Assistant One - Orientation to the Veterinary Profession**

VT-15 **Veterinary Assistant Two - Outpatient Diagnosis & Treatment**

VT-16 **Veterinary Assistant Three - Inpatient**

VT-17 **Veterinary Assistant Clinical**

\$1,170 (MDSR) | \$2,000 (GC) | \$2,100 (OOC) | \$2,200 (OOS)

LOCATION of TRAINING:

- **Classroom:** Career Technology and Training Center (CTTC), Accident.
- **Externships:** Scheduled at various veterinarian facilities.

TIME to COMPLETE PROGRAM:

Approximately six months. Classes are held one evening per week. Clinical experience is scheduled throughout the program.

ENTRY REQUIREMENTS:

- Garrett College does not require a background check or drug testing; however, individual animal care facilities may require students to submit to one or both.
- Health insurance is not required; however, Garrett College does not assume an responsibility for health issues caused by animal bites, scratches, or other injuries. It is suggested that students meet with their health care professional to ensure their immunizations (including a tetanus shot) are up to date.
- Students must have transportation to complete externship hours within a 50-mile radius of Garrett College.

NEW CLASSES START EACH SPRING!

Next available program will begin **Jan. 6, 2026** and end on **June 30, 2026*** | **REGISTRATION DEADLINE: DEC. 19, 2025**

**Course details could be subject to change, call or email for more information*

Vet Assistant Graduate Courtney Lowery, now employed with HART for Animals

Occupational Outlook

Veterinary Assistant jobs are projected to grow by 20% by 2032, according to the U.S. Bureau of Labor Statistics.

Beth McGregor, a Registered Veterinary Technician (RVT) with an impressive 13 years of experience in the field, is a graduate of Morehead State University. She began her career as the lead medicine and surgery Farm Animal Technician at The Ohio State University. Transitioning to a small animal companion hospital, she also cared for exotic and pocket pets.

Beyond her professional journey, Beth and her family live on a farm and are actively involved in raising show cattle and quarter horses. Having over a decade of hands-on expertise and a genuine passion for animal care is very beneficial to her classroom's learning experience.

ED2GO: ONLINE OFFERINGS

PHARMACY TECHNICIAN: Pharmacy technicians assist and support licensed pharmacists in providing healthcare to patients. The Pharmacy Technician Online Certification Training Course was developed in response to a rising need for trained technicians to work in hospitals or retail pharmacies. However, this growing opportunity has also come with increased responsibility, making certification an essential issue for many industry employers and some state legislatures. Some states now require all individuals who work as pharmacy technicians to become nationally certified. This course will prepare you for entry-level pharmacy technician positions by teaching you medical and pharmaceutical terminology, basic anatomy related to the pharmacology of medications, and pharmaceutical calculations. Upon completion of this course, you will be prepared to sit for the Pharmacy Technician Certification Exam (PTCE) offered by the Pharmacy Technician Certification Board (PTCB). This course also includes a voucher which covers the fee for the exam. However, you must ensure that the Pharmacy Technician Course meets your state's requirements. For more information, visit your state's Board of Pharmacy site directly from the Pharmacy Technician Certification Board (PTCB) website.

LOCATION of TRAINING: Online

TIME to COMPLETE PROGRAM: 400 Hours

CLINICAL DENTAL ASSISTANT: (Vouchers Included) This comprehensive online dental assisting course will provide you with the essential skills and knowledge needed to become a dental assistant, including every aspect of professional dental assistance. You will also prepare to pass the radiology, infection control, and anatomy and physiology portions of the Dental Assisting National Board examinations – NELDA or CDA.

LOCATION of TRAINING: Online, Instructor Led

TIME to COMPLETE PROGRAM: 300 Hours

STERILE PROCESSING TECHNICIAN: Sterile Processing Technicians (SPT), also known as Central Service Technicians or Certified Sterilization Technicians, play a critical role in preventing infection by sterilizing, cleaning, processing, assembling, storing, and distributing medical supplies—and now is an excellent time to train for your sterile processing technician certification.

LOCATION of TRAINING: Online, Instructor Led

TIME to COMPLETE PROGRAM: 190 Hours

For more information or to register for these programs, contact: 301-387-3084 | kimberly.govi@garrettcollege.edu

*"Everything in this course has been very informative and helpful towards my driving development."
- Class A Student.*

Occupational Outlook

Potential annual median salary of \$54,320 with an increase of 5% in job openings

STUCK ENTERPRISES EMPLOYEE GAINS CDL VIA GC MTDI PROGRAM

One of Stuck Enterprises President Steve Stuck's favorite sayings is "we keep it community." That extends to training employees with local roots through Garrett College. Hunter Green – who drives trucks for Oakland Oil & Propane, a Stuck Enterprises Company – is just one of the latest examples of this philosophy.

"Hunter is one of my best employees – and I can confidently say, as a fellow graduate of Garrett College, that he received the best CDL training in our area," said Matt Armstrong, Green's supervisor.

"Due to the quality training that he received, bringing Hunter up to speed was a quick process – and his impact on our business was felt immediately," added Armstrong. "But what truly makes Hunter such a valuable member of our team is his work ethic, spirit of teamwork, and willingness to jump in and help."

Armstrong said Stuck Enterprises

"looks forward to continuing to recruit top talent from Garrett College in the future."

*"The instructors covered everything I needed to know,"
- Green said of his MTDI training.*

"Garrett College's MTDI program has been a supportive endeavor for Garrett County for over twenty years. Their instructional course has been instrumental in local training and preparation of reliable and qualified truck drivers for truck driving careers."-GC Roads Dept.

Occupational Outlook

Median Pay \$42,470 a year starting and a 9% increase in job openings

COMMERCIAL DRIVER'S LICENSE (CDL), CLASS B

With a Class B CDL, students can drive cement, gravel, delivery, refuse, or similar vehicles allowing them to make a good salary, but also stay close to home. These courses will cover the essentials needed to obtain a Class B license including the following: pre-trip inspection, various skills in the yard, and over-the-road instruction along with a basic overview of map reading and log books. At the completion of training, the student will demonstrate their skills to obtain a Class B license and be certified by the Department of Transportation. To expand, the Class B license allows an individual to operate any single vehicle with a gross vehicle weight rating (GVWR) of 26,001 or more pounds; with any such vehicle towing a vehicle not in excess of 10,000 pounds GVWR.

COURSES and PROGRAM COSTS

CV-063 **Class B CDL Theory**

CV-064 **Class B CDL Practical Skills**

\$1,950 (MDSR) | \$2,700 (GC) | \$2,835 (OOC) | \$2,970 (OOS)

**Pricing could be subject to change*

LOCATION of TRAINING:

Mountaintop Truck Driving Institute (MTDI), Grantsville

TIME to COMPLETE PROGRAM:

6-day duration-arranged.

ENTRY REQUIREMENTS:

- Must currently possess a valid (non-provisional) license and be 18 years of age.
- Must be able to pass a Department of Transportation (DOT) physical which cannot expire during the training period.
- Drug screen which must be less than sixty (60) days old and cannot expire during the training period.
- Must communicate in the English language sufficiently, as required by the U.S. Department of Transportation.
- Must obtain a Class B, CDL Learner's Permit.

UPON SUCCESSFUL COMPLETION:

Students will be able to take their certification test using a Garrett College truck.

NEW CLASSES BEGIN EACH MONTH WITH ADDITIONAL OFFERINGS SCHEDULED AS NEEDED!

Financial Assistance

Opportunities for Workforce Development Programs

Garrett College's Continuing Education & Workforce Development division awards over \$100,000 in scholarships annually as a result of funding from a variety of sources, include the Board of Garrett County Commissioners, local agencies and private donors through the Garrett College Foundation.

Garrett County Scholarship Program (GCSP)

The Board of Garrett County Commissioners recognizes that the County's future economic well-being is dependent on having an educated, skilled workforce that is prepared to compete successfully for jobs in an increasingly competitive, global economy. **Therefore, recent graduates can apply for the Garrett County Scholarship Program (GCSP) that covers the tuition and fees of eligible, in-county, high school graduates meeting certain criteria in a given time frame.**

Garrett College Foundation Scholarships

Through the generosity of donors, the Garrett College Foundation is able to provide scholarships for Workforce Development programs. Criteria varies based on the scholarship and interested student should complete the Financial Assistance Form to determine eligibility.

Financial Assistance through Community Partner Agencies

 **Maryland Department of Rehabilitative Services (DORS)**
(301) 777-2119

 **Garrett County Department of Social Services, Garrett Works Program**
(301) 533-3000

 **Western Maryland Consortium**
Garrett County: (301) 334-8136
Allegany County: (301) 777-1221

 **Garrett County Community Action**
(301) 334-9431

APPRENTICESHIP PROGRAMS

In conjunction with the Maryland Apprenticeship and Training program (MATP) and Maryland Department of Labor, Garrett College is the proud educational provider for two state registered apprenticeship programs. We are currently hosting classes in **ELECTRICAL** with the support of state sponsored local business.

EMPLOYERS

Build your workforce. Registered apprenticeship trains workers in the specific skills needed by your company.

- Reduce turnover costs. Registered apprentices boast an impressive 91% retention rate.*
- Increase productivity. Apprentices report high levels of motivation, satisfaction, and loyalty. For every dollar spent on apprenticeship, U.S. employers get \$1.47 back in increased productivity. **
- Make your workplace safer. A well-trained workforce may reduce worker compensation costs.
- Plan for employee succession. Registered apprenticeships help you to successfully facilitate the transfer of knowledge from experienced employees to new recruits.
- Take advantage of tax credits and financial incentives. Maryland offers businesses valuable support to build a reliable pipeline of qualified workers.

STUDENTS

An apprenticeship is an earn and learn model that is industry driven and aligned with high quality career fields. Apprenticeships allow employers to develop and prepare their future workforce through paid work experiences combined with classroom instruction.

- Apprentices complete 2,000 hours of on-the-job training per year and a minimum of 144 hours of related instruction per year.
- Get Paid: You'll earn a competitive, progressive wage while training for your career.
- Employment: You must be employed/sponsored by a business to enroll in an apprenticeship program.
- On-the-Job Training: You'll work closely with a mentor in a structured work-based learning environment.
- Classroom Instruction: All classroom instruction is related to the career and supports your work-based learning.

*According to U.S. Department of Labor statistics, 91% of apprentices remain on the job one year after employment.

**According to the U.S. Department of Labor.

QUESTIONS? Or interested in becoming a registered apprenticeship sponsor

ONLINE TECHNICIAN TRAINING

Garrett College offers in partnership with George Brown College online technician programs in Automation, Electric Vehicle, Electromechanical, Electronics, PLC and PLC II and Robotics.

These programs provide a self-paced online option for students looking to develop their skill-set in the respective discipline. The cornerstone of these programs is the simulation software, which is fully integrated within the learning material and bridges the gap between theoretical and practical usage. The simulation software includes LogixSim for automation simulation, CircuitLogix, 3DLab for electronics and electromechanical simulation, RoboLogix for robotics simulation and LogixPro and PLCLogix for PLC simulation.

Individuals who graduate from these programs of study have the entry level skills required to succeed in traditional and growing markets.

LOCATION of TRAINING: Online

TIME to COMPLETE PROGRAM:

6 Months – 18 Months

Typical job-related activities may involve:

- Assembly
- Installation
- Maintenance
- Testing
- Troubleshooting
- Repair
- Programming
- Upgrading of associated electronic equipment and systems

COURSES and PROGRAMS COSTS

Automation Technician

Electric Vehicle Technician

Electromechanical Technician

Electronics Technician

PLC Programming Technician

PLC Technician II

Information is available on the Garrett College Web Site:
www.garrettcollege.edu/cewd

The screenshot shows the Garrett College website. At the top, there is a navigation bar with links: Campus Map | Blackboard | Laker Mail | my.garrettcollege.edu. Below this is a search bar. The main navigation menu includes: About - Academics - Admissions & Aid - Services - Student Life - Continuing Education. Under the Continuing Education menu, there is a sub-menu: CEWD Home - Business Solutions - Community Education - Workforce Training - Adult Education/GED - Financial Assistance - Registration. The main banner features a photo of a man and a woman working together, with the text 'COMMUNITY EDUCATION & WORKFORCE DEVELOPMENT' and 'CAREER & SKILL TRAINING, CERTIFICATIONS & PERSONAL INTEREST COURSES'. Below the banner, there is a section titled 'who we are' with a description of the CEWD department and a small photo of a woman.

APPLICATION CHECKLIST

MAIL YOUR COMPLETED APPLICATION FOR ADMISSION TO:

Garrett College, 687 Mosser Road, McHenry, MD 21541, Attn: CEWD.

Provide a copy of your high school diploma or transcript.

Students must submit a non-refundable \$25.00 registration fee.

You will be contacted by the Program Coordinator to schedule an Orientation Session and a time to take the TABE (Tests of Adult Basic Education) if required for the training program. The TABE is used to insure students have the basic math and reading skills required to successfully complete their chosen training program. Remedial assistance may be available to improve math and reading skills.

REQUESTS FOR 504 ACCOMMODATIONS

Garrett College is committed to the success of its students and provides resources to support student learning, including accommodations. There are significant differences in how students obtain accommodations in college as compared to high school. Academic accommodations are not automatic and students should be self-advocates when requesting services. Students who wish to obtain accommodations for their classes must follow Disability Support Services (DSS) procedures:

1. COMPLETE THE APPLICATION FOR 504/ADA ACCOMMODATIONS.

- o Provide details about the barriers you experience in an academic setting.
- o Discuss accommodations that would be of benefit to you.

2. SCHEDULE AN INTAKE APPOINTMENT WITH THE OFFICE OF STUDENT DEVELOPMENT.

3. STUDENTS WILL BE REQUIRED TO PROVIDE CURRENT (WITHIN THE PAST THREE YEARS), WRITTEN PROFESSIONAL DOCUMENTATION IN ORDER TO VERIFY ELIGIBILITY FOR SPECIAL SERVICES. Such documentation can be in the form of medical reports or psychological evaluations, and must specify how learning is impacted including specific accommodations to assist in the learning process.

Please note, you are not considered fully registered with the office until you have been approved for accommodations. Records provided are kept strictly confidential, and information provided is shared only with permission provided by the student.

Students seeking accommodation for a documented disability should contact Disability Support Services at 301-387-3749, e-mail ADA504@garrettcollege.edu

GENERAL ENTRY REQUIREMENTS

- A \$25.00 non-refundable application fee is required from all students.
- Students are required to have and provide a copy of their High School Diploma, Transcript or equivalent unless concurrently enrolled in an ABE/GED program.
- Students are required to take the TABE Assessment prior to enrollment.
- Students must participate in an Orientation and Information Session.
- Students must maintain a 75% average in each class and meet attendance requirements to progress to the next course of the program.

REGISTRATION & FEES

REGISTRATION INFORMATION

Registration for non-credit courses can be completed in person, by phone, by mail, by fax, or online. Persons interested in registering for a course may visit the office, located in room 114 of the Garrett Information Enterprise Center on the McHenry campus of Garrett College. They may also call the main line at (301) 387-3069, or fax a registration form to (301) 387-3096. To register online, visit www.garrettcollege.edu/cewd.

Continuing Education & Workforce Development registrations will be taken on a first-come, first-served basis. Your birth date is required by the Maryland Higher Education Commission. Payment may be made by mail or in person at our office. We accept VISA, MasterCard, American Express and Discover - please call us at 301-387-3069.

Most courses have registration deadlines, which allows for ample time to notify students and instructors, should a course not meet its minimum enrollment. The department recognizes the inconvenience last-minute cancellations cause in the busy lives of our community members. Please register before the deadlines.

FINANCIAL INFORMATION

Course costs listed include tuition, fees, and out-of-county/out-of-state differentials (where applicable). Costs listed for Maryland Senior Citizens (persons 60 years of age or older) include a tuition waiver (where applicable) and fees. All students are responsible for any materials or texts that may be required for all classes.

REFUND POLICY

Submission of a registration form and tuition and/or fee payment serves as confirmation of registration and results in the student being obligated for the cost of the course. If, for any reason, a student cannot attend the course for which they registered, it is their responsibility to withdraw from the course by calling 301-387-3069 or emailing the Program Coordinator directly. Refunds will be made in full if the student withdraws from a course prior to the registration deadline or closing date. If a student withdraws prior to the second class meeting, they may be eligible for a partial refund, but it is not guaranteed for all courses. There will be no refund after the second class session.

Any requests for exemption to this policy must be made in writing and should be submitted to the Dean of Continuing Education & Workforce Development.

FINANCIAL AID

Available to those who qualify

Garrett College's Continuing Education & Workforce Development division awards over \$100,000 in scholarships annually as a result of funding from Garrett County Commissioners, local agencies, and private donors through the Garrett College Foundation. Full and partial scholarships are available based on the applicant's residency, educational goals and financial need. For best consideration, students are encouraged to apply early! Scholarship applications must be submitted at least three weeks prior to the start of selected program for consideration.

All workforce programs require a \$25 non-refundable application fee which cannot be paid with scholarship funds. The student is also responsible for any program fees, tests, or materials which are not covered by his/her scholarship.

Drop Policy

It is the student's responsibility to withdraw from a course that he/she cannot attend. Please note that failure to attend at least 75% of the course sessions, or failure to complete assigned coursework, may result in the termination of funding; as a result, the student will be charged for the entire cost of the course.

In addition to scholarships, the following agencies may support students, who meet their funding criteria, with tuition/fee assistance:

Western Maryland Consortium: 301-334-8136

**Garrett County Department of Social Services,
Garrett Works Program: 301-533-3000**

**Garrett County Community Action, SNAP
Employment & Training Program: 301-334-9431**

**Maryland Department of Rehabilitative Services
(DORS): 301-777-2119**

**For more information on scholarships, please call
301-387-3069.**

THE GARRETT COUNTY OCCUPATIONAL SCHOLARSHIP

The Occupational Scholarship is a component of the Garrett County Commissioners Scholarship Program that provides funding to high school graduates who wish to pursue occupational training rather than a "traditional" college education.

ELIGIBILITY REQUIREMENTS

- Must be 18 years of age, unless dual-enrolled
- Must apply within 1 year of graduation from SHS /NHS, or completion of GED or GCBOE certified home school program*
- Verified Garrett County resident

*Exceptions may apply

HOW TO APPLY

Complete a Garrett College Workforce application (at least four weeks prior to program start date) available at SHS, NHS, & Garrett College.

- 5** Southern Outreach Center (SOC)
14 N 8th Street, Oakland, MD 21550
301-387-3770

INCLEMENT WEATHER POLICY

Continuing Education and Workforce Development follows the Garrett College Inclement Weather Policy.

WHEN ARE WEATHER-RELATED DECISIONS MADE?

Because weather and road conditions can change quickly, there is no fixed time by which a decision to delay or close is made. While we attempt to make decisions for all-day closings and delayed openings by 6:30 AM, you should always consider the possibility that the decision may come after that time. Decisions to close early are made based upon information about the conditions, which means that there is no set time that these decisions will be made either; however, the College attempts to have a decision made about closing early by 3:00 PM.

HOW DO I FIND OUT IF THERE IS A DELAY OR CLOSING FOR THE COLLEGE?

The College's weather-line is immediately updated with any information that relates to the altering of the normal schedule.

**To reach the GC WEATHER LINE
dial 301-387-3198**

HOW DO I KNOW WHICH LOCATION IS CLOSED?

Announcements made that the College is closed due to weather conditions include all locations: McHenry campus, Northern Outreach Center (Grantsville), Career and Technical Training Center (Accident), and the Southern Outreach Center (Oakland). There may be times when a particular location is delayed or closed for reasons other than weather. The information that is disseminated at that time will specify which location(s) are affected.

Employees, students and the public should not call any college department to find out whether the college is closed or is going to close. We ask that you call the weather-line for closing or delayed opening information.

Note: The College will not make an announcement if operating on a regular schedule. If no information has been posted, then the College will be operating as normal.
