Veterinary Assistant

Program Overview

Veterinary Assistants aide in kennel care, assist veterinary technicians and veterinarians during exams of domestic animals and provide support throughout the veterinary office. They are employed in animal shelters, animal emergency centers, and veterinary practices.

This program meets the National Association of Veterinary Technicians of America (NAVTA) guidelines and requirements for clinical experiences, certifications/ licensing of instructors, and curriculum content. Upon completion of this program, individuals will be prepared to work in an entry-level position and/or be prepared to continue training to earn an A.A. degree as a Veterinary Technician.

Program Courses

1. Veterinary Assistant I – Orientation to the Profession
2. Veterinary Assistant II – Outpatient Diagnosis & Treatment
3. Veterinary Assistant III – Inpatient Treatment & Care

Time to Complete Program

- Approximately 6 months
- Classes are held 2 evenings per week

Clinical experience is scheduled throughout the program at various animal care facilities

Please note the following: Students currently enrolled in an Adult Education program may be eligible to enroll with Program Coordinator approval.

Garrett College does not require a background check or drug testing for entry to this program. However, one or both of these items may be required by individual animal care facilities where externship hours are to be completed.

Although health insurance is not required, Garrett College does not assume any responsibility for health issues caused by animal bites, scratches, or other injuries. It is recommended for students to meet with their health care professional to ensure all immunizations (including a tetanus shot) are current.

Our Mission | The Continuing Education and Workforce Development Division will enhance the mission of Garrett College by providing lifelong learning through community education/personal interest courses, basic skills development and career training, and professional development/customized training solutions. We are committed to helping build a better community through collaborative efforts and partnerships.
