

# Which one will YOU be?

## Attend an Introduction to ***SECURITY CLEARANCES*** and ***BACKGROUND CHECKS***

**Wednesday, November 9, 2016 in Room 103 of the Garrett Information Enterprise Center (GIEC) on Garrett College's McHenry Campus from 12-1 PM**

The need for a security status is prevalent in all industries. All occupational specialties require employers to have a pool of potential employees who have the ability to meet and pass the challenges of rigorous background checks and security clearance screening processes.

Learn from Prince George's Community College how students can navigate the delicate and often complex process of seeking, obtaining, and maintaining a security clearance. Emphasis will be placed on how to recognize, identify, and avoid actions and behaviors that hinder the process. This event is designed for those seeking employment with the federal government or contractors for the intelligence community; diplomatic and other government agencies; law enforcement; and the health care industry.

Who should attend? Anyone looking for information on the security clearance process including students, faculty and staff.

RSVP by 11/7/16 to
