In accordance with the Higher Education Act of 1965, as amended, Garrett College is pleased to share with you the following information on the graduation and transfer-out rates of our Fall 2014 cohort of full-time, first-time, degree or certificate seeking undergraduates and student athletes that received athletic financial aid.

Fall 2017

- The number of students, categorized by race and gender, who attended the school in the year prior to the submission of the report.
- The number of the students above who received athletically related student aid, categorized by race and gender within each sport.

While reviewing this information, please keep the following in mind:

- All graduation rates are based upon 3 years of attendance which equates to 150% of the normal completion time of our longest program.
- These charts do not identify the reasons why our students withdrew; therefore, students who withdrew for personal or medical reasons are included.
- Graduation and transfer-out rates do not include students who left school to serve in the armed forces or on official church missions or with a foreign aid service of the federal government, or students who died or were totally and permanently disabled.
- A pound sign (#) denotes any cohort/subcohort with five or fewer students. The university is not required to disclose this information.
