

Anatomy & Physiology Faculty

Garrett College invites applications for a full-time **Biological Sciences Faculty in Anatomy & Physiology** to join its team in a new state-of-the-art STEM Center in McHenry, Maryland.

This 10-month faculty position (Assistant/Associate Professor rank based on qualifications and experience) is responsible for the preparation, development, and presentation of classroom and laboratory material; the academic advisement of students; and participation in the academic planning and assessment process.

Faculty at Garrett College carry a 15-credit/semester teaching load. This position includes teaching anatomy & physiology and other biology (BIO) courses including microbiology, medical terminology, and/or nutrition. Course delivery in multiple modalities and/or occasional evening and/or weekend hours may be required. Faculty are also expected to engage and collaborate in college and department service.

Required Qualifications:

- Master's degree in the Biological Sciences, Health Sciences, or related field from an accredited institution. Graduate coursework must include a minimum of 18 credits in the biological sciences, anatomy & physiology (preferred).
- A commitment to student-centered instruction, teaching excellence and the mission of community college.
- Demonstrated teaching experience and competency in the laboratory sciences to include anatomy and physiology (college-level required) and microbiology (college-level preferred).

Garrett College is located approximately 180 miles west of Baltimore/Washington D.C. and 120 miles south of Pittsburgh. The College is within walking distance of scenic Deep Creek Lake and the Wisp Ski Resort. Please visit the Garrett College website <https://www.garrettcollege.edu/employment.php> for more information.

Hiring Range: Assistant Professor: \$52,984 to \$63,002; Associate Professor: \$58,415 to \$69,459. An outstanding benefits package is available shortly upon hire.

Interested applicants should send a letter of application, a curriculum vitae, and the names and contact information for three professional references (previous supervisors are preferred references) to the following email careers@garrettcollege.edu. Applications will be accepted for this position until filled.

For best consideration please submit your information by Friday, January 28, 2022.
