## Frequently Asked Questions

- **When does my class start?** Class starts on Wednesday, June 16, but you may see your class earlier in the week. Something will be due on the first day of class, so be sure to check your assignments.
- **How do I take an online course?** Garrett College uses Blackboard for online courses. Go to <https://blackboard.garrettcollege.edu/> and log in with your Garrett College credentials.
- **Can I get help from a tutor?** Yes! Free tutoring is available through the AASC Student Resources Blackboard course. Explore the WIRED and STANDBY tutoring options.
- **What if I fail a pre-requisite in the spring?** If you fail a pre-requisite course in the spring you will be dropped from your summer course and notified via email.

## Tips for Successful Online Learners from GC Professors

**"Pay attention to Blackboard announcements. They contain important information about your class."** - Prof. Porter

**"Check your Garrett College email daily."**

- Prof. Kapoor

**"Do not procrastinate with deadlines, stay on top of assignments. This short term will fly by and there is little time to catch up."**

- Dr. Lieberman

**"Endear yourself to your professor by asking for help. Professors love to work with students who show that they care."** - Dr. Reitz

**"If you have any questions or concerns, please communicate as soon as you're having issues. We love hearing from students and helping them succeed."**

- Prof. James
