2027 WINTER SESSION

YOU'RE REGISTERED FOR A WINTER CLASS... NOW WHAT?

Course(s): **Instructor(s):** **Start Date:**

Important Dates

- **ASAP | Buy your book(s) on eCampus https://my.garrettcollege.edu/ics** Login, select Student tab, click Textbooks link, select your semester, login to the eCampus bookstore. Have materials shipped to your home or to wherever you'll be while taking the course.

  First-Time Login: Enter your Garrett College email and select "Forgot My Password." Do not create a new account—one already exists.
- **December 22 | First day of class** Log onto Blackboard and begin your class. Be sure to complete the assignment you have due this week or risk being dropped from the course. If you can't see your class in Blackboard, contact **dlearn@garrettcollege.edu**.
- **December 23 | Last day to drop the course**
- **December 24 - January 1 | Campus closed** BUT your class is still in session; your instructor is your primary contact, available via email.
- **January 13 | Last day to withdraw (no refund)**
- **January 21 | Last day of class**

Frequently Asked Questions

- **When does my class start?** Class starts on Tuesday, December 22. You can find your class on Blackboard. Something will be due on the first day of class, so be sure to check your assignments..
- **How do I take an online course?** Garrett College uses Blackboard for online courses. Go to **https://blackboard.garrettcollege.edu/** and log in with your Garrett College credentials.
- **Can I get help from a tutor?** Yes! Free tutoring is available through the Student Resources Blackboard course. Explore the WIRED and STANDBY tutoring options.
- **What if I fail a pre-requisite in the fall?** If you fail a pre-requisite course in the fall you will be dropped from your winter course and notified via email.

Tips for Successful Online Learners from GC Professors

"Create a schedule and stick with it. The winter session is only about 4 weeks long!" - Stephanie Miller , Library

"Check your Garrett College email daily." - Prof. Kapoor

"Remember, support services are still available during the winter semester! Check out the AASC Student Resources course in Blackboard for more info."- Nick Pratt, AASC

"Due to the condensed nature of the course, stay on top of assignments, monitor due dates, and email professors if anything is unclear.." **- Professor Bostic**

"If you have any questions or concerns, please communicate as soon as you're having issues. We love hearing from students and helping them succeed." **- Prof. James**
