During the 90-day acceptance period, the Contractor's performance must be consistent with the specifications contained herein and the Contractors proposal. In the event that the Contractor fails to meet all requirements, the College shall declare the Contractor's services unacceptable and the Contractor in default, and terminate all agreements, written or verbal, without penalty or obligation to the College. Further, should there be any dispute/discrepancy on acceptability of said service, decisions made by the College will prevail and be final.

In such cases of rejection, the cost of testing will be charged back to the Contractor.

PUBLICITY The Contractor shall not in any way or in any form publicize or advertise in any manner the fact that it is providing services to the College without the express written approval of the College obtained in advance, for each item of advertising or publicity. However, nothing herein shall preclude the Contractor from listing the College on its routine client list for matters of references.

The College may cancel this solicitation in whole or in part, at its sole discretion.

RIGHT TO STOP WORK If the College determines, either directly or indirectly, that the Contractor's performance is not within the specifications, terms or conditions of this RFP/ITB and/or that the quality of the job is unacceptable, the College has the right to stop the work. If omissions in the specifications are discovered and these omissions will impact the contract price then it is the responsibility of the Offeror to note these omissions, in writing, prior to accepting the award. If these omissions are not noted prior to award then the Contractor's silence is deemed as full and complete acceptance and any additional costs will be borne by the Contractor.

SUBCONTRACTORS Offerors must submit the names and addresses of all subcontractors to be retained for this project. The College reserves the right to reject any subcontractor. Subcontractors shall conform in all respects to the applicable provisions specified for the prime contractor and shall be subject to approval by the College. It is understood, however, that if at any time during the term of the Contract, performance there under is deemed to be unsatisfactory, the College shall so notify the Contractor in writing, and the Contractor shall correct such unsatisfactory conditions within fifteen (15) calendar days from the receipt of such notification. If such corrections are not made within the specified period, the College may terminate the Contract at that time.

TERMINATION FOR DEFAULT If an award results from this RFP/ITB, and the Contractor has not performed or has unsatisfactorily performed the contract, payment shall be withheld at the discretion of the College. The Offeror further warrants all articles, material and work performed for a period of one year, unless otherwise stated, from date of acceptance of the items delivered and installed, or work completed. All repairs, replacements or adjustments during the warranty period shall be at Offeror's sole expense.
